

## **SPECIAL ANNOUNCEMENT: To our valued customers,**

We continue to closely monitor the evolving situation and are using the CDC, state, and local authorities to guide us in making decisions that are in the best interest for our customers and employees. We are implementing the suggested guidelines to minimize the risk of spread, including social distancing.

Governor Murphy ordered all non-essential businesses to close as of Saturday, March 21, 2020 9:00 pm. Thankfully, as a "Hardware and Home Improvement" business, **Frank Burton & Sons falls under essential businesses which will be allowed to remain open.** We will be implementing safety procedures as listed below.

- Our normal business hours remain the same, and our counters are open Mon – Fri: 8-5, Sat: 8-3.
- We are cleaning doorknobs and counters throughout the day for the safety of our employees and customers.
- For in-house charge accounts, we will be asking for a first initial and last name for signatures. If an authentic signature is required, disposable pens will be provided.
- We are asking customers who are symptomatic in any way to refrain from coming into the store.

As always, it is our privilege to serve you and we thank you for your loyalty, patience, and understanding during this difficult time.

Thank you and everyone PLEASE stay safe!
